

# GROUP TOURS TO IRELAND

As always, when traveling to Ireland, we first recommend checking out [ireland.com](http://ireland.com) - the official tourism website for the island of Ireland. You'll find details on where to go, where to stay, what to do and what to see. Ireland.com has up-to-date details on events, suggestions on driving routes and ways to experience the breathtaking beauty of the Island.

If you don't want to make all the travel plans yourself, perhaps consider joining a

tour group, which is a terrific way to enjoy Ireland. You can sign up for group tours alone, with friends, and you can even create your own tour with your favorite people, then sit back and let the tour company take care of all the details.

Two groups we highly recommend are Brack Tours and Cara Group Travel, both with offices in New England and Ireland. See a list of tours for each below and contact them about joining one of their upcoming tours. You'll find them helpful

and congenial and they will gladly help you put together the tour of your dreams to Ireland and beyond. Here's to a wonderful touring vacation!
