

LOGAN AIRPORT TRAVEL PLAYBOOK

Start your travel off right by getting to Boston Logan International Airport with a plan! Massport has put together this handy Travel Playbook to make your trip smooth and enjoyable.

GETTING TO THE AIRPORT

For a comfortable and convenient ride to Logan, leave your car at home and take the Logan Express bus, the MBTA Blue and Silver lines, private bus service, or the water ferry.

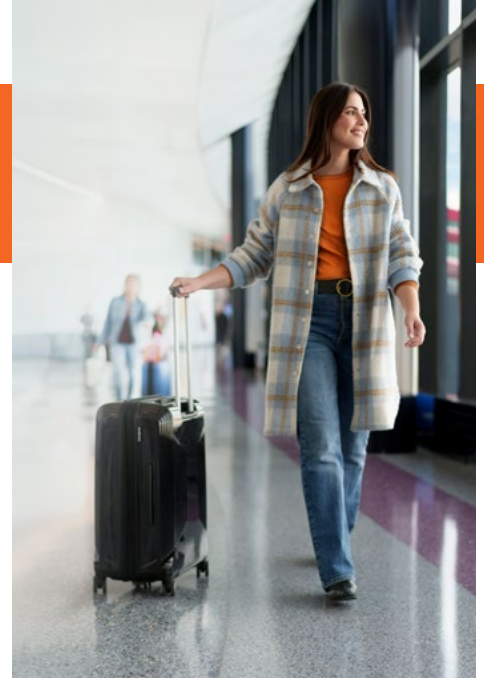

The Logan Express, with locations in Back Bay, Braintree, Danvers, Framingham and Woburn, lets you relax with a comfortable and convenient ride that drops you off and picks you up right at your terminal.

Insider's tip: If you take the Logan Express bus or the weekday water ferries, pre-book your ticket online and skip to the front of the security line once you get to Logan.

since airport garages fill up quickly. And use Mark My Spot also on the app to locate your car in the parking garage.

Once in the airport, you can get handy flight updates, directions to your gate and enhanced WiFi. If you get stuck, you can get live virtual assistance from the airport's service reps.

If you are traveling with kids, use the app to find a nearby Kidport in Terminals A, B and C and let the little ones have some fun.
